

# ARNOLD PALMER ZERO

Perhaps one of the unlikely legacies' to live on from this great golfer is the beverage that Arnold Palmer made popular...a drink made of half tea and half lemonade and dubbed the "Arnold Palmer." The King of golf has joined forces with the King of Teas and has brought to market another delightful version: Arnold Palmer Zero Half & Half. It has the same great taste as the original, but with zero calories. The legend continues to grow!

## CONTAINS 5% JUICE
