

September 23, 2024

This letter contains products that comply with the "Buy American" provision of the National School Lunch Program. These requirements are set out in USDA regulations (7 C.F.R. § 210.21(d)) and guidance (USDA/Food and Nutrition Service Memo SP-24-2016 (Feb. 3, 2016)).

The Buy American Provision requires School Food Authorities to purchase domestic commodities or products to the maximum extent practicable. Domestic commodities or products are either (1) agricultural commodities produced in the United States or (2) food products processed in the United States substantially (>51%) using agricultural commodities that are produced in the United States. **As of the date of this letter, the following products are produced in the United States substantially using agricultural commodities that are produced in the United States.**
