

## Buy American Provision Statement

Reviewed: April 2025

The National School Lunch Program has a Buy American Provision which is regulated under 7 CFR Part 210.21(d). There are two provisions the school food authorities (SFA) must comply with when purchasing commercial food products served in the school meals programs.

1. The agricultural commodity must be produced in the United States.
2. The food product is processed in the United States using substantial agricultural commodities that are produced in the United States. Substantial means over 51% of the final processed product consists of agricultural commodities that were grown domestically.

This statement certifies that the following products, distributed by Peterson Brands, comply with 7 CFR Part 210.21(d).
