

DIET ARNOLD PALMER

Perhaps one of the unlikely legacies to live on from this great golfer is the beverage that Arnold Palmer made popular...a drink made of half tea and half lemonade and dubbed the "Arnold Palmer." The King of golf has joined forces with the King of Teas and has brought to market another delightful version: Arnold Palmer Diet Half & Half. It has the same great taste as the original, but with near-zero calories. The legend continues to grow!

CONTAINS 5% JUICE
