TO: All Customers

FROM: Frank Joyce, Regulatory Compliance Manager, Byrne Dairy Inc.

SUBJECT: Buy American Statement of Compliance

All milk and cream products manufactured by Byrne, Inc., are compliant with the "Buy American Act." This statement shall serve as a "Buy American Statement of Compliance."

The "Buy American Act" applies when the federal government purchases products or materials for federal projects, requiring that items sold be:

- Manufactured in the United States
- Consist of domestic components that exceed 50% of the total component cost.

All milk and cream products sold by Byrne, Inc., meet this requirement.
